Update

We would like to draw your attention to a minor amendment in the following unit in both the Level 1 and 2 specifications:

Unit 3 Rehearse and Perform

1.4 Plan *a rehearsal schedule* taking into account the demands of the performance.

Centres are reminded that in order for candidates to complete Level 1 or 2 Performance Skills that evidence must be provided to meet **all assessment criteria** as detailed in the specifications. These can be found on the Performance Skills microsite at www.ccea.org.uk/performance_skills

Support

Support for the delivery of this qualification can be found either on our microsite or by contacting Teresa Robb using the details below.

We have updated the support documents and there are now two student workbooks available online for Level 1 and Level 2. Please note that the assessment criterion for each unit is highlighted in green text throughout. These workbooks are a suggested approach to meeting the assessment criteria and are provided as Word documents to enable centres to amend the tasks to suit the needs of their candidates.

The workbooks and support documents are available at:
