Changes to discount codes for Occupational Studies

New discount codes have been developed for the 6 CCEA Occupational Studies qualifications. These have been developed by CCEA Regulation at DE's request. This is as a direct result of centres raising concerns about clashes with GCSE subject areas where the content is significantly different.

The discount codes will be amended on NIEFQAN and the Register by CCEA Regulation and will be included in the NIEFQAN file to be released at the end of January 2019.

Any queries regarding NIEFQAN please contact qualsapproval@education-ni.gov.uk

The new codes to be used for the 6 CCEA Occupational Studies qualifications are as follows:

- Business and Services (QAN 600/8774/2) changed from BA3 to OS01
- Construction (QAN 600/8652/X) changed from TG1 to OS02
- Design and Creativity (QAN 600/8186/7) from JF4 to OS03
- Engineering and Engineering Services (QAN 600/8655/5) from 9070 to OS04
