GCSE Gaelge – Listening & Speaking Task 1

Submission of Discussion Recordings to CCEA

In the summer 2020 series, CCEA intends to use its eSubmission application for the upload of GCSE Gaelge (G9571) by centres. This application would replace the ePortfolio resource for file transfer used by Gaelge teachers in previous series'. Teachers should note the following key points:

- Users would be able to upload files for multiple candidates simultaneously;
- Recordings for all entered candidates would be uploaded. No sampling instructions are to be issued for this component;
- The use of eCandidate Record Sheets for the recording and submission of marks is unchanged.

Further details and guidance will be communicated to centres through:

- The Gaelge Agreement Trial in October;
- Exams Officer seminars;
- Subject specific Instructions to Teachers, including support materials;
- Updates to the Gaelge microsite.
