

# Circular S/IF/22/21

September 2021

---

To: The Head of Department - Nutrition and Food Science

For circulation to: All Teachers of CCEA GCE Nutrition and Food Science

---

## GCE Nutrition and Food Science A2 2 Research Project for Summer 2022

We want to inform you of some guidance material now available on our website to support you in the delivery and assessment of the adapted Unit A2 2 Research Project for the Summer 2022 series.

This material should be read in conjunction with the [Specification Addendum](#) and [Subject Guidance - Exceptional Assessment Adaptations for Summer 2022](#).

The guidance material now available:

[Teacher and Student Guidance: A2 2 Research Project \(for Summer 2022\)](#)

[Exemplar: A2 2 Research Project \(for Summer 2022\)](#)

[Exemplar Commentary: A2 2 Research Project \(for Summer 2022\)](#)

All supporting information for GCE Nutrition and Food Science in relation to **Summer 2022** can be found here:

[Summer 2022 Support Package](#)
