For circulation to: **Head of Geography and Examination Officer**

## GCE AS Geography Summer 2022 Series

**Unit 1: Physical Geography (SGG11)**

**Unit 2: Human Geography (SGG21)**

**Unit 3 Fieldwork Skills and Techniques in Geography (SGG31)**

Please note that the procedures outlined below should be followed in relation to GCE AS Geography in the forthcoming summer 2019 examination series.

### Geography - Unit 1: Physical Geography

Candidates may bring along a calculator for use in the examination.

### Geography - Unit 2: Human Geography

Candidates may bring along a calculator for use in the examination.

### Geography - Unit 3: Fieldwork Skills and Techniques in Geography Summary Statement and Table of Data.

1. Students must bring to the examination a summary statement covering the aims and context for the fieldwork and a table of data. The summary statement should be approximately 100 words and must include:
  - Title;
  - Details of the location of the study (a map may be included if appropriate); and
  - A statement of the aims and hypotheses to be tested or questions to be answered.

The table of data must contain raw data only and must not include any statistical analysis such as the ranking of data for use in Spearman's Rank Correlation.

The summary statement and table of data must be accompanied by the cover sheet we provide showing details of the candidate's examination and centre numbers. Copies of the cover sheet can be downloaded from <https://ceea.org.uk/post-16/gce/subjects/gce-geography-2018/support>.

**Both the candidate and the teacher must be sign the cover sheet.**

2. The number of pages attached should be clearly recorded on the cover sheet (cover sheet, summary statement and table of data).
3. The class teacher should collect each candidate's work (completed cover sheet, summary statement and table of data) and give it to the Examination Officer at least one week in advance of the examination date. Please do not use plastic covers or folders of any kind.
4. The Examination Officer should present the candidate's work (summary statement and table of data) to the Invigilator before the examination. The Invigilator should check that the number of pages attached

corresponds with that stated on the cover sheet and remove any folders or plastic covers. The Invigilator should place each report on the appropriate desk using candidate number.

5. Candidates must attach their summary statement and table of data to their question and answer booklet at the end of the examination using the treasury tag provided. Question and answer booklets will be drilled in the top right-hand corner to facilitate attachment.
6. Candidates must bring along a calculator for use in the examination.
7. In the event of a candidate taking this assessment unit as an external candidate, **it is the responsibility of the candidate** to produce a copy of the summary statement and table of data in line with the requirements of the specification for use in the examination. The summary statement and table of data must be accompanied by the cover sheet we provide showing details of the candidate's examination and centre numbers. The cover sheet must be signed by the candidate.
