

Understanding Business Enterprise Level 1 Specification Addendum

Exceptional Assessment Adaptations (for 2020–2021)

This addendum should be used in conjunction with the current specification

Please note: This applies only to candidates cashing-in at qualification level in Summer 2021

1. No temporary adaptations have been made to this specification due to public health restrictions for January or Summer 2021.
2. For candidates who hope to achieve a Level 1 qualification in January or Summer 2021, CCEA will require a reduced number of units for moderation as follows:
 - Centre delivers, enters and submits levels for 3 units as detailed in the specification. This may include work completed prior to 2020-21.
 - CCEA will moderate **2 of these units** selected by the centre at the time of moderation.
 - Units that have been previously awarded at unit level without a cash-in at qualification level will count towards the number of units required for moderation in Summer 2021.
 - The Level 1 qualification will be based on all 3 units.
3. Unit level awards will still be available and moderated in the normal way.
