

Certificate of Personal Effectiveness Level 3 Specification Addendum

Exceptional Assessment Adaptations (for 2021–2022)

This addendum should be used in conjunction with the current specification

Please note: This applies only to candidates cashing-in at qualification level in Summer 2022

1. No temporary adaptations have been made to this specification due to public health restrictions for Summer 2022.

2. For candidates who hope to achieve a Level 3 qualification in Summer 2022, centres can choose to **omit up to three modules** of their choice:
 - Centre enters candidates and delivers the specification for six modules, as detailed in the specification.
 - Centres may choose to omit one, two or three modules of their choice from assessment and assess candidates on the remaining units.
 - Modules that have been previously awarded at unit level will count towards the number of units required for cash-in at qualification level in Summer 2022.
