

GCSE Construction **(Unit 3 – GCN3)** **(Unit 4 – GCN4)**

eCandidate Record Sheets (eCRS)
Summer 2019

eCRS for GCSE Construction in Summer 2019

GCSE Construction Unit 3 (GCN31) – visiting moderation

- GCSE Moderation Visits: 7th to 17th May 2019.
- Centres will use the eCRS application to submit **marks** for candidates, confirm Internal Standardisation and Candidates/Teacher authentication.
- Deadline for submitting eCRS is **1 May 2019**.

GCSE Construction Unit 4 (GCN41) – product type moderation

- Work of sampled candidates collected at centres **from 8.30 am on 1 May 2019**. Centres will use the eCRS application to submit the **completed candidate record sheets**, confirm Internal Standardisation and candidates/teacher authentication.
- Deadline for submitting eCRS is **1 May 2019**.

GCSE Construction Unit 3 (GCN31) – visiting moderation

- Four marks to be inserted for each candidate –
- **First mark is for accuracy of tolerance:** In the mark column for this criteria, state the number of tolerances that are correct. The system will then scale this to give the correct mark for this criteria.
- Comment boxes available for each criteria
- Show/hide facility detailing mark levels

GCSE Construction Unit 4 (GCN41) – product type moderation

- Five marks to be inserted for each candidate
- Comment boxes available for each criteria
- Functionality of this unit's record sheet follows on from CA unit in previous specification

GCN31 - visiting moderation

GCN41 - product type moderation

Computer Aided Design in Construction

Provide details of additional assistance (if any)

Instruction
Candidates whose work has been selected for submission to CCEA should have accompanying teacher comments on their record sheets. There is no requirement to complete comments for candidates who are not part of the sample.

Task	Mark
Clear ability to produce a sectional detail by using drawing commands and hatching to an appropriate scale. <small>Mark Band 1 (1-4 marks)</small> <small>Mark Band 2 (5-8 marks)</small> <small>Mark Band 3 (9-12 marks)</small> <small>Mark Band 4 (13-16 marks)</small> <small>Mark Band 5 (17-20 marks)</small> Comment	<input type="text"/> out of 20
Independent use of drawing commands and hatch commands to create the completed drawing of a front elevation of a specified building. <small>Mark Band 1 (1-5 marks)</small> <small>Mark Band 2 (6-10 marks)</small> <small>Mark Band 3 (11-15 marks)</small> <small>Mark Band 4 (16-20 marks)</small> <small>Mark Band 5 (21-25 marks)</small> Comment	<input type="text"/> out of 25
Independent use of drawing commands and hatch commands to create the drawing of a completed plan. <small>Mark Band 1 (1-5 marks)</small> <small>Mark Band 2 (6-10 marks)</small> <small>Mark Band 3 (11-15 marks)</small> <small>Mark Band 4 (16-20 marks)</small> <small>Mark Band 5 (21-25 marks)</small> Comment	<input type="text"/> out of 25
Clear ability to complete a working drawing to a high level of presentation including a title block and print drawing to scale. <small>Mark Band 1 (1-2 marks)</small> <small>Mark Band 2 (3-4 marks)</small> <small>Mark Band 3 (5-6 marks)</small> <small>Mark Band 4 (7-8 marks)</small> <small>Mark Band 5 (9-10 marks)</small> Comment	<input type="text"/> out of 10
Clear ability to analyse a given brief and produce the required output. <small>Mark Band 1 (1-4 marks)</small> <small>Mark Band 2 (5-8 marks)</small> <small>Mark Band 3 (9-12 marks)</small> <small>Mark Band 4 (13-16 marks)</small> <small>Mark Band 5 (17-20 marks)</small> Comment	<input type="text"/> out of 20

Process comparison for visit

Old Process	New Process
Liaise with Exams Officer regarding any consortium arrangements	No Change
Centres submit entries	No Change
Teacher(s) complete the assessment of all candidates	No Change
Teacher(s) record outcomes on hardcopy candidate record sheets	Teacher(s) record outcomes on the eCRS application
Candidates and teachers sign the authentication statement on the hardcopy candidate record sheets	Candidates and teachers sign the downloaded authentication document from the eCRS application. The lead teacher confirms the authentication statements on the eCRS screen when submitting marks to CCEA
Centre submits hardcopy candidate record sheets to CCEA	No longer required as record sheets will be submitted through the eCRS application
Centre completes TAC1 OMR with total mark for each candidate and submits to CCEA	No longer required as the marks for all candidates are totalled within the eCRS application
Complete TAC2 form – Internal Standardisation details completed on manual form and submitted to CCEA	Not required as the lead teacher confirms the Internal Standardisation statements on the eCRS screen when submitting marks to CCEA
Centre receives sampling details from CCEA	No Change
Centre displays work and record sheets for sample in rank order, and has remaining record sheets available, for moderator's visit	No change, except candidate record sheets to be printed from the eCRS application
Moderator contacts centre to confirm time/date of visit – followed up by written confirmation	No Change
Moderator carries out moderation of centres. Outcome of moderation discussed and signed off by moderator and centre representative	No Change
Moderator retains a copy of all candidate record sheets and any TAC2 not already submitted to CCEA	No longer required, unless moderator requests a copy of all candidate record sheets

E-Moderation microsite (www.ccea.org.uk > Qualifications)

- Quick start guide
- Detailed user manual
- Tutorial video

- Support during initial use of eCRS for visiting moderated units will be provided by CCEA's Operations Modernisation team – 028 9026 1200 extn 2254 or 2230.

- Support is also available by emailing moderationteam@ccea.org.uk

The new units for GCSE Construction will be available for Exams Officers to set up registrations from November 2018.

- ✓ Ensure any consortium arrangements have been registered with CCEA. This is to allow the correct candidates to be displayed onscreen.
- ✓ Ensure all candidates are entered correctly and on time so you can access their eCRS.
- ✓ Allow adequate time to complete and submit the eCRS in advance of the stated deadline.
