

Physics Resources – Remote Teaching and Learning

Here are a selection of online resources from a variety of organisations to support Physics remote teaching and learning. These resources may be used to compliment or support your existing lesson plans at Key Stage 3, Key Stage 4 and Post-16.

External Resources

- [BBC Bitesize - GCSE Separate Physics Daily Lessons](#)
- [NI Science Festival - The festival are sending out regular email newsletters with links to resources relating to Science and Physics KS 1-5](#)
- [Institute of Physics - Student Resources](#)
- [Institute of Physics - Teacher Resources](#)
- [Association for Science Education - Support webinar series](#)
- [Scientix - 2020 STEM support- Bringing your classroom into the virtual environment](#)
- [Scientix - Useful resource repository searchable by age/stage](#)
- [National Physical Laboratory](#) - You can sign up (send email) to receive Excel Spreadsheets of VLE versions of Practical Physics simulations to support KS4 and 5 experimental Physics on a comprehensive range of topics making use of virtual Physics equipment.
