		%				10.8	6.7	18.3	25.8	14.2	0.8		23.3

Please note:

- The statistics given in this report are provisional. There may be changes to the final statistics.
- The total number of pupils under Test Level is lower than the total number of pupils under Teacher Assessed Subject Level because pupils working below Level 3 do not take the tests and are assessed only by their teachers.
- N indicates that on the occasion of the test pupils did not show achievement at one of the levels available.
