### **Privacy Notice – Council Members**

CCEA require this information to enable it to comply with recommendations identified by the Northern Ireland Audit Office through external audit and to implement best practice. The information provided will be used to identify and effectively manage potential Conflicts of Interests in conducting CCEA business as described in CCEA Counter Fraud Policy, CCEA Management Statement and government policy set out in Managing Public Money in NI. This information will be contained within a register of Staff and Council Members' Interests which is published on the CCEA website. Any security sensitive interests are not provided in the published register. It will be used solely for this purpose.

The information will be reviewed on a rolling basis and previous versions will be destroyed after the review. We will take completion of this form as consent to processing.
