

Self Management

I can tell you about the things that I am learning.

I am beginning to check my own work to make sure that it is right.

I can keep going even when I find something difficult.

I try lots of different ways to do my work before I ask for help.

I am good at some things and I need to work hard at others.

To get better, I work hard to reach the targets my teacher has given me.

I can describe what I enjoy learning and what I find hard.
